Unfortunately, I'll be on vacation beginning on Friday, August 8 and returning on Monday, August 18. I am mostly available next week. I read Libby's email to say that she is in next week, but I guess it's a moot point if Nicole is completely unavailable.

Thanks Nicole,

I am working from home on the 11th and in the morning of the 12th and then on travel to Phoenix. If we could touch base on the 12th in the morning that would be great. I'm just interested in a very brief discussion of the NPL status of the site. I don't believe the petitioners are related.

Hi Libby-

I am out next week too but super booked up the rest of this week. I could meet on August 11 or 12. The person we are working with is Saul Bloom. David Stensby probably has the most information on the site from EPA since he is the RPM who has been attending the meetings. If you schedule a meeting, he should be included.

Thanks,
nicole

Hi Nicole,

ATSDR may be petitioned by a former resident of Treasure Island, to do a Public Health Assessment. David Stensby mentioned that you are also working with a different person. Can we meet to touch base on the site?

ATSDR does not have any history with the site.

I am in all this week and next.

Thanks,
